FIRE AT WRANGELL

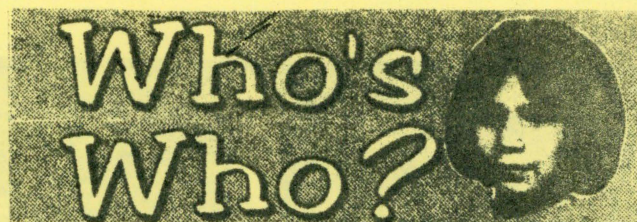

On November 27, there was a fire in the school building.

On Monday some girls went to the gym to play volleyball. Soon, all the girls came back saying that there was water running down from some place to the gym. Some girls forgot their fire blankets. It was snowing outdoors that night.

The next day there was no school. The girls changed their bed spreads, sheets and blankets. Everyone was busy cleaning their sections, drawers, and washing their bed.

After we ate our supper we changed sections. In section 16 there are Bessie Phillip, Esther Phillip, Martina Ivon, Debora Ivon, Jean Igkurak, and Margaret Paul. Everygirl was happy when we changed sections.

This boy is probably the best dancer at Wrangell Institute. His height is about 5' 6", and he is good looking. He also has a good personality. He is usually seen with R. C. He is in Group 2, and plays on the basketball team.

WHO IS HE???

This girl has short hair, and she is lots of fun to be with. She is fond of slow dances and is also in Group 2. Her best friend is B. Z.

WHO IS SHE???

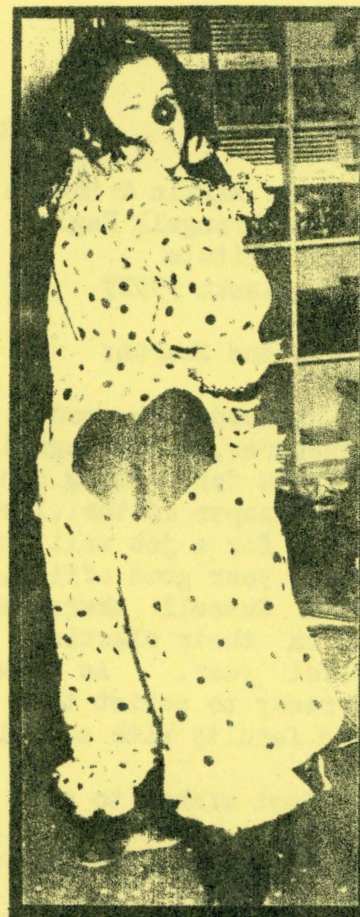

THE WRANGELL INSTITUTE FIRE

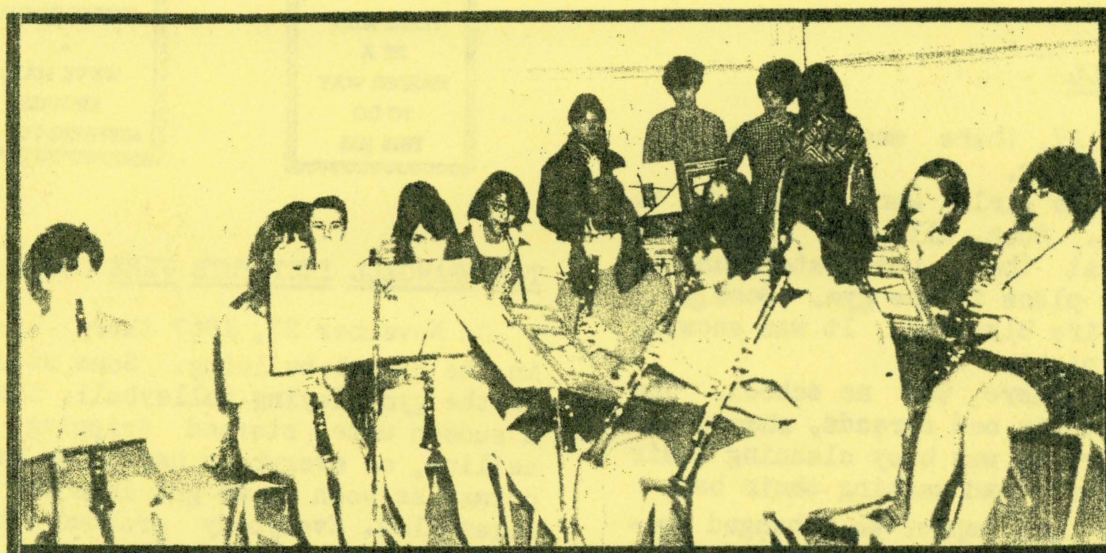

On November 27, 1967 there was a fire in the school building. Some students were in the gym playing volleyball, then all of a sudden water started dripping from the ceiling, so everybody had to go back to the dorms. As soon as we got into the dorms the siren blew. Everybody grabbed their fire blankets and went outside, and remained quietly until they had permission to go back inside. After awhile a fire truck came from town to put the fire out.

4-H CLUB TO START

One Friday in November the girls that were from ages 9 on up went to the gym and saw a film about 4-H Clubs. The people who were there said we are going to have a 4-H Club but they have to decide on the time we would meet.

Mrs. LaMarr, a teacher, would be in charge of handicraft. Mrs. Wilson would be in charge of a clothing project.

So far they haven't decided on the time yet. Maybe it will be soon.

WHAT'S YOUR NAME?

When one boy came to Wrangell Institute the matron asked, "What's your name?"

The little boy said, "James."

The matron asked him again, "What's your last name?"

The boy said, "James," again.

The matron said, "I said what's your last name?" The boy kept on saying, "James"

The matron did not know his name was James James.

THERE WAS FUN ON THANKSGIVING

November 23, 1967, was Thanksgiving Day and we didn't have school that day.

In the girls' dormitory, all of the girls cleaned up the dormitory and everything was fixed up neatly.

They got ready to go to the Thanksgiving dinner. For dinner there was turkey and other good food to eat. The turkey was the favorite food on Thanksgiving Day.

After dinner there was a movie called "Let's Rock." The movie was good and the dance in the movie was familiar.

On Thanksgiving Day we had fun. When Christmas comes maybe we'll enjoy every bit of it.

CO-ED VOLLEYBALL LEAGUE ORGANIZED

On Friday, November 24th, 50 or 60 boys and girls were in the gymnasium waiting to be assigned to a team. After everyone was assigned to a team, they got together to pick a name and captain for the teams. The names of the teams and captains are as follows: Warriors, Levi Kowunna; Eagles, Lawrence Juneby; Hot Cats, Ernie Phillips; Cool Cats, John Ruhl; Goldens, Mike Williams; Lice, Russell Akers; Nanooks, Ray Charles; and Pearnuts, Roy Angnaboogak. A schedule was made so that the different teams knew who they were going to play against. The league will finish play on about January 11, 1968.

PAINT SETS GIVEN TO BOYS

Some boys and girls got paint sets from Mr. Smith. They took the paint sets to their sections. They paint on them when they have time. Several of the boys have already finished their paintings. Some of the boys paint sets were messed up by other boys. Mr. Smith doesn't hand out any more paint sets to the boys.

CHANGING SECTIONS

In the boys' dorm on November 30, the boys were changing sections. It was a very busy day. Boys had to pack their clothes and the other things to the section where they were suppose to stay. The boys were pretty happy that day.

Sections 1, 10, 11, and 20 now have only two bunk beds. These sections use to have three bunk beds. These sections are smaller than the rest of the sections. There wasn't enough room for the boys.

GIRL WINS SNOWFALL CONTEST

Students of the science classes guessed when the snow would fall. They guessed earlier before the snow fell. They put the date and their names on a piece of paper and put it in a box so Mrs. Smith, the science teacher, could look at them.

The snow fell on November 24, 1967. One of the girls won the contest. Her name is Fannie Cleveland from Group 3. She won a prize.

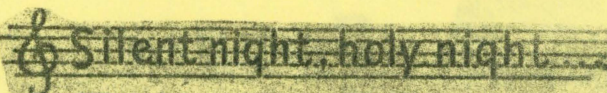

Everyone was all excited when the snow fell.

WEATHER HERE AT THE INSTITUTE

The weather has been gloomy for a week or two here at Wrangell. It's been snowing and raining! Down here at sea level the frozen ice is very slippery and wet, but the mountain sides are very beautiful to look at.

The boys at the Institute are anxious for Christmas to come, and some boys expect to get a package from home. They are also wondering if snow will be here when Christmas comes.

We raise our voices with the carolers
to sing the praises of this happy
season. A joyful Christmas to all!

GREEN ONIONS PLAY

On November twenty-fifth a small band from town called the Green Onions came out to the Institute to play for the students at the dance. They played for about an hour then went back to town. Everyone enjoyed dancing to live music.

STUDENTS GO TO KETCHIKAN

On November 13th two students from Wrangell Institute went to Ketchikan. At Ketchikan they met two students from Mt. Edgecumbe. The two students from Wrangell were Russell Akers and Alma Agnasagga. Students from Mt. Edgecumbe were Ronald Brower and Mary Cooper.

The reason they got to go on this trip was to attend the A.N.B. and A.N.S. meetings. The Wrangell Institute students left Ketchikan November 16th. The Mt. Edgecumbe Students left November 18th. Both students agree that they have benefited from the trip, and that it was very interesting to see how large organizations like the A.N.B. run their meetings.

BALLET DANCERS ENTERTAIN STUDENTS

On November 27, 1967, ballet dancers from Ketchikan came to Wrangell Institute. They have been traveling to many places in Alaska. They did all kinds of ballet dancing for us. The students enjoyed it very much. They left the same day for Ketchikan. We hope to see them again someday.

Christmas mail is getting heavy. Students are getting packages from home. They will be put away until Christmas so the students can open them on Christmas Day.

Several parents have told their Children to spend Christmas at home. The ones to go are the Benson Children Benny, Stella, and Donna; Mike Clayton and Lillian Jim. The parents of these students will send money for the trip home and back. They will return December 26, 1967, so they won't miss school. We wish all the children could spend the holiday with their parents, but they live too far from home.

Group 5 will give a play with Mrs. Robinson's group. Mr. Robinson and Mr. La Marr will help with the play. They will give two plays. One play will "Once Upon a Christmas Eve." It will Tell of a family in trouble and CHRISTMAS SPRIT who is giving people help. The other is "Paddy Bear's Christmas." It will tell of a little Bear who wants to know about Christmas. They will also have a choral group. There will be a junior Santa Claus on the stage.

The employees will have a gift wrapping party in the dining hall. They will wrap presents for the children.

BOYS SCOUT ACTIVITIES

Troop 39 is made up of 66 boys and 7 patrols. The scouts are now working on Christmas Wreaths. The wreaths will be on sale December 16. The scouts will deliver them.

Scouts are working on their requirements for tenderfoot rank. They are also learning to tie knots.
